

Instruments allowed on the school bus to and from school

Any instruments placed on the floor must be against the outside (window) wall, as no student should have to climb over an instrument to exit in an emergency. Leg spacing on buses range from 7-10 inches. Instruments must fit on the students lap or within the leg space of each seat. Instruments may not exceed the height of the bottom of the window ledge, which range from 29 to 32 inches. No instrument shall be transported behind the last rear seats per Indiana State Law.

All musical instruments transported in the passenger area on a school bus must be positioned in such a way that they do not block or obstruct in any way the isle, stairwell, or emergency windows exits.

Instruments allowed to be transported:

- Trumpet
- Trombone
- Bass Clarinet
- Tenor Sax and Alto Sax
- Flute
- Clarinet
- Oboe
- Bassoon
- Piccollo

Small Instruments may be carried in the seat with the student
