To whom it may concern:

The West Lafayette Intermediate School has a large selection of out of date curriculum we are wishing to remove from our building.

I have contacted several vendors who buy back these items and found one that is willing to give is \$300 for the entire list of books.

As requested I am sending an email to our parents in the event they may like a copy of the books.

I am also reaching out to the Northend Community Center as they have free Math Tutors available to the Greater Lafayette Community to see if they could use some of the math books as well.

Attached is a list of the materials we have to recycle.

Thank you

Respectfully,

Janet Winslow
