RE: Youth Baseball Addendum

We recently met with Rob Kochon with the West Lafayette Youth Baseball program. He indicated that he would greatly appreciate if the school corporation were to provide mowing services between the fields as needed. Being that this is part of the original lease agreement as the responsibility of the Youth Baseball League, an addendum would need to be approved to change it.

In exchange for mowing between the fields on an as-needed basis, the Youth Baseball League will allow for the exclusive use of the fields during the normal school day by the West Lafayette Elementary School.

Please place approval of this Addendum to Lease on the board agenda for Monday, August 14th. Don't hesitate to let me know if you have any questions.
