RE: WLJSHS Elevator Replacement

It was determined over the summer that the elevators at the West Lafayette Jr./Sr. High School need to be replaced as it is becoming difficult to have them repaired. We would like to move forward with the replacement of one this year and have indicated the replacement of the second on the Capital Projects Plan for 2024.

Mr. Daily contacted three different vendors for quotes as required for a purchase of this price—DC Elevator, Murphy Elevator and TK Elevator. TK Elevator provided the lowest quote for the installation of a new elevator at the cost of \$67,101.82. All three quotes are included in your board packet.

Please place this item for approval on the October 9, 2023 board agenda so that we can move forward with scheduling the replacement at an appropriate time. If you have any questions, please don't hesitate to let me know.
