

H.S. exterior doors
south/commons

Project: West Lafayette High School
Estimator: Richard Woodhead
765-414-4258, richardw@mulhaupt.com

Bid Date: 9/28/2023
Bid time: .
Quote #: 23282
Addenda: .

We hereby propose to furnish the following materials:

Replace all hardware on existing aluminum doors, total of 3 pair at athletic entry and 6 pair at main front entry.

Includes the following:

- All new hinges, dark bronze
- All new door closers with stop arms
- 2 New auto openers (re-use push pads)
- All new mullion unit to be keyed removeable
- All new panic bars
- All new HD thresholds
- All new door sweeps
- 2 New electric strikes
- Labor to remove all existing hardware and to re-work existing doors and frames for new hardware.

Total installed less sales tax: \$ 68,131.00

Bid alternates and notes:

Due to volatile supply chains, material manufacturers are experiencing extended lead times that are rapidly changing. Currently lead times vary anywhere between a few weeks and 6-9 months and many products do not have options available for expediting. A rough estimate of lead time can be given at the time the material is ordered however even those dates are subject to change due to component shortages. The products included in our bid for this project are based upon whatever lead time is available from the manufacturer at the time of the order.

Bid Qualifications: Includes freight to jobsite, tailgate delivery only. This quotation is valid for 30 days from bid date. Specifications have not been inspected for job suitability except where noted. Modifications made for suitability or preference are the sole responsibility of the buyer. Materials quoted as standard lead time. Alternate price for quick shipping of materials will be provided upon request. All material is subject to availability and current factory lead times.

Exclusions: Excludes unloading, installation, low voltage wire, wiring, labor and termination to any electronic hardware items, field labor, Knox Boxes, storage, glass & glazing, aluminum frames & doors, conduit, conduit installation, and expedited and "Fast track" materials unless specifically noted above. If automatic operator installation is noted as included in the quotation, all wiring, low voltage, and 110V is by others. Auto operator installation includes termination only of automatic operator.

Conditions: All orders are subject to credit approval. Clerical errors are subject to correction. No back charges allowed without prior written approval.

Terms: Mulhaupt's is a material supplier only, thus prices are based on purchase orders with no retainage. If retainage is required, add 5% to bid amount. "Pay when paid" terms will not be accepted. Terms are net 30 days with approved credit. Contact Mulhaupt's in advance if you would like to pay by credit card to discuss additional fees. AIA billing does not exempt our invoices from being paid in 30 days. Invoices will be subject to a 1-1/2% monthly service charge after 30 days. Quotation subject to mutual agreement of contract terms. If project is cancelled after submittals have been completed, submittal fee will still apply.
