RE: WLJSHS Door Mechanical Upgrade

The exterior doors at West Lafayette Jr./Sr. High School need upgrades in order to enhance safety and efficiency including new weather stripping and mechanicals. Mr. Daily obtained quotes from three local vendors including Mulhaupts, Haley's Lock and Key, and CIH. Mulhaupts submitted the lowest quote at the cost of \$68,131.00. Please approve the quote by Mulhaupts so that the work can be completed as soon as their schedule allows. The project will be funded using remaining construction funds for the high school or the Operations Fund.

Please place this item for approval on the November 13, 2023 board agenda so that we can move forward with scheduling the work. If you have any questions, please don't hesitate to let me know.
