#### 2520 - **SELECTION OF INSTRUCTIONAL MATERIALS AND EQUIPMENT**

The School Board shall provide instructional materials and equipment, within budgetary constraints, to implement the Corporation's educational goals and objectives and to meet students' needs. The primary objective of such instructional materials and equipment shall be to enrich, support, and implement the educational program of the school.

The Superintendent shall develop administrative guidelines for the selection and maintenance of all educational and instructional materials and equipment and provide for the assessment of student fees.

A student or his/her parents shall be held responsible for the cost of replacing any materials or properties which are lost or damaged through their negligence.

Cost of materials may be charged for materials used in those activities beyond the basic curriculum in which a student elects to participate, particularly in activities where the product becomes the property of the student.

Students who use school-owned musical instruments may be charged a rental fee.
