RE: Wonderland Education Lease Agreement

Wonderland Education Inc. has approached us about leasing classroom space within the Happy Hollow building. Wonderland is an “experiential learning center where kids can learn through engagement.” Wonderland would need the space consistently for storage and workshops that are offered to area students both within and outside of our school district. The standard form of lease with updated information has been included in your board packets outlining the annual lease.

Please approve the lease agreement as submitted. If you have any questions, please don't hesitate to let us know.
