---

Attached is an updated MOU with Meridian Health. The purpose of this memorandum is to outline the agreement between West Lafayette School Corporation and Meridian Health Services 1500 Salem Street Lafayette IN, 47904 for the provision of skill building services and/or case management on-site at West Lafayette School Corporation by Meridian Health Services.

An MOU was in place for this past school year, and the MOU provided for the coming school year includes no changes from the prior year.

- Meridian Health Services is not affiliated with the district; its services are sought out by families.
- The MOU provides a means for Meridian Health Services to provide “skill building” services to their clients in our schools for the benefit of the students and families served.
- The services provided are at no cost to the WLCSC.
- The WLCSC provides space for services and adheres to confidentiality.

The MOU, if approved, will be valid from August 1, 2024 through August 1, 2025. Either party may terminate the MOU with written notice.
