Re: Contract with Indiana Online Academy for Summer School 2025

Our central office, on behalf of the the high school, requests the Board's consideration for the the purchase of summer school course services from Indiana Online Academy.:

1. Indiana Online Academy (IOA) is a second choice for summer school and is used in situations when Achieve Virtual Education (AVE), currently free to the district, does not offer a course needed by a student. Counselors work with students and families individually to determine when IOA would be appropriate. As per the IOA contract, the WLCSC pays IOA directly.
2. The WLCSC will seek reimbursement from the IDOE for summer school programs through IOA. Contingencies will be verified to meet IDOE deadlines for the submission of our Summer School plan.
3. The IDOE final reimbursement rate for 2025 will be determined at the conclusion of summer school.
4. The amount not reimbursed through IDOE is eligible to be paid through the district's state and local funds.

The contract, a jotform to be completed after any affirmative board action, is included with this recommendation.
