RE: Transportation Usage Agreement with Indiana Band Association

The Transportation Department of West Lafayette Community School Corporation has had an agreement with the Indiana Band Association for several years to provide transportation from local hotels to Purdue University during its Spring Camp. This year, the camp will take place beginning on the evening of March 14, 2025 through the morning of March 16, 2025.

We are recommending charging a slightly higher cost for this service compared to last year due to rising fuel costs to the Indiana Band Association of \$625. The Indiana Band Association is also required to provide a Certificate of Liability Insurance of not less than \$1,000,000 to cover the use of our buses and drivers for the weekend.

Please place this item on the agenda for March 10, 2025 and approve the agreement as submitted. If you have any questions, please don't hesitate to let me know.
