

West Lafayette Community School Corporation

DATE: April 8, 2025
TO: Dr. Shawn Greiner
FROM: Mrs. Anna Roth on behalf of the Science K-6 and Spanish I-AP Curricular Materials Adoption Teams
RE: Recommendations for Curricular Materials Adoption and Purchase

Final recommendations regarding curricular materials to be adopted for Science K-6 and Spanish I-AP are outlined in this memo and included are the quotes showing exact materials to be ordered and their costs. The recommendation below is supported by the K-12 teachers serving on the adoption team after following a robust and complete review process.

Grade Level K-6 or Course 7-12	Recommended Publisher and Title	Total Cost
K-6 Science	Savvas - Elevate Science 2019	\$165,148.63
Spanish I, II, III, IV and AP	Vista - Descubre 2022 and Temas 3e	\$60,315.53

Below is information relevant to the process supporting this recommendation.

- Recommended materials were evaluated by teacher and administrator representatives from each school at the grade-level of the adoption serving on the adoption committee.
- All K-5 recommended science materials were reviewed by the Indiana DOE and qualified to be included on the IDOE High-Quality Curricular Materials Advisory List
- Materials were evaluated by parent volunteer evaluators at each building. Parents were invited to provide input on the process and to sign up to be randomly selected to serve on the committee.
- Materials were available for public inspection during an advertised public review process. Information about this process was included during the family input process.
- Teacher, parent reviewers and public comment participants used standardized and consistent rubrics or forms developed to assess the quality of materials in teaching to Indiana Academic Standards (AP or DC requirement where appropriate) and/or to assess the materials related to local teacher and family preferences as determined by surveys given to both groups at the beginning of the process. (See attached).
- Materials were reviewed for alignment with the Indiana Academic Standards.
- Cost quotes are included with this recommendation and represent a maximum to be spent.
- Teacher committee members reviewed colleague and parent feedback gained from the process described above before making a final determination of recommended materials.
- A list of teachers and administrators participating in the work described above and making these final recommendations is included following the table of recommended titles with costs.

I worked with teachers and administrators throughout this process and fully support their recommendations. Additionally, I thank and wish to commend our WLCSC teachers and administrators for their professionalism and dedication in reviewing materials and considering feedback from their colleagues and families. I also thank parent review volunteers and all who provided feedback for their time and commitment to our schools.

I respectfully request this recommendation as presented in this memo be approved and thank you for your consideration in this matter.

Questions & Comments

PARENT - GUARDIAN CURRICULAR MATERIALS EVALUATION FORM

Thank you for supporting our schools!

WEST LAFAYETTE COMMUNITY SCHOOL CORPORATION

Parent/guardian reviewers are asked to look at the materials from the perspective of a parent/guardian. No special knowledge of the content of the materials is required, and no experience as a K-12 teacher is required. We realize that each parent/guardian comes to this review with a common concern for children and excellent schools, and we believe the unique perspective of a parent/guardian is important in this process.

Thank you for partnering with us and supporting our schools!

- The material you are reviewing has also been reviewed by teachers for alignment to standards and course requirements and for alignment to local preferences as expressed in the previously conducted parent/guardian survey.
- The material you have reviewed is supported by teacher reviewers as a possible option for adoption and use in WLCSC classrooms.
- The feedback you provide will be reviewed and considered by the teachers and administrators involved in this process as they come to consensus on a final recommendation.

Please complete this form as you review instructional materials under consideration for adoption by the West Lafayette Community School Corporation.

Reviewer Name:

Date of review:

What is the title (publisher) of the material you are reviewing?

Indicate any information about the grade level/age of students who will use this material.

Curricular Materials Feedback Form for Parents and Guardians

Please complete this form to provide information about what you believe is important in selecting curricular materials for adoption.

This survey will remain open through 9am on Thursday, January 30, 2025.

What materials will be considered for adoption?

Materials considered for adoption this year for K-6 Science and 7-12 World Languages. Materials for K-6 science will not be considered unless they align to the [High Quality Curricular Materials Advisory List](#) released by the Indiana Department of Education. Materials for grades and contents will be vetted for alignment to [Indiana Academic Standards](#) as well as any Advanced Placement requirements where applicable.

Textbooks were free this year for students and families. Will this adoption change that?

No, the law eliminating textbook fees remains in place.

How will my feedback be included?

Feedback will be aggregated and shared with teachers and administrators involved in reviewing materials. The feedback will be used to develop a rubric of local preferences and needs.

How are materials evaluated?

This local preference rubric will be used to evaluate materials in tandem with a rubric which looks at alignment to standards and best practice. Professional judgement is also considered as teachers may consult sites like edreports.org or may reach out to other teachers currently using the materials which are up for consideration. The process is holistic as we know that materials must ultimately best meet the needs of our students and teachers, and what works in one school or community may not be best for another.

How are teachers and administrators involved?

Schools select representatives for the grade levels, courses and departments. Representatives will work with their colleagues collaboratively. Administrators help facilitate and organize the process. All teachers affected by the curricular materials adoption will have the chance to provide feedback through survey, too. The survey feedback from teachers will be incorporated into the local preference rubric.

How can parents/guardians support this process beyond participating in this survey?

Parent/guardian reviewers are invited to look at the materials from the perspective of a parent/guardian during a review session on February 11, 2025 from 10am-2pm. No special knowledge of the content of the materials is required, and no experience as a K-12 teacher is required. Any parent/guardian is welcome to volunteer and help in this process. Each school needs six parent/guardian volunteers. We believe that each parent/guardian comes to this review with a common concern for children and excellent schools, and we believe the unique

perspective of a parent/guardian is important in this process. *If interest exceeds capacity, the school will draw randomly from those who have signed up; attention will be given to ensuring that different grade levels are represented at each school.*

Will there be a time that a parent/guardian can review materials even if not participating in parent/guardian review session?

YES! Materials and forms will be made available in each school office from February 18 through February 21 for review from 10am to 2pm daily when school is in session. A space at each school will be designated for this opportunity. Please indicate your current intentions in the survey so each school can plan and coordinate accordingly.

Considerations for Curricular Materials Adoption

What three considerations you believe to be important in the adoption of curricular materials?

6. Consideration #1

7. Consideration #2

8. Consideration #3

9. **OPTIONAL:** Please provide any additional feedback, suggestions or ideas you may wish to share regarding the adoption of curricular materials.

Parent/Guardian Review Participation

The beginning of this form provided information about opportunities for parents/guardians to be involved in this adoption process beyond this survey. Please review that information as appropriate to be informed.

10. The parent/guardian review session will take place on February 11, 2025 at each school from 10am-2pm in a designated space at each school. The review takes place in real time and onsite at each school since publishers provide a limited number of copies for the review process.

The Parent/Guardian Curricular Materials Evaluation Form can be viewed [HERE](#). As you consider your interest in being a parent/guardian reviewer, please look at this form to understand how you will help. Parents/Guardians will be supplied with all materials needed for the review.

If you are available on February 11, 2025 from 10am-2pm and interested in being a parent/guardian reviewer, please check the school you would like to represent. If interest exceeds capacity, the school will draw randomly from those who have signed up; attention will be given to ensuring that different grade levels are represented at each school.

You are welcome to volunteer for the process at multiple schools if you have children at multiple schools, but you will only be able to serve as a reviewer at one school. Please check the school(s) you would like to represent.

Check all that apply.

I am a parent/guardian of a student at WLES, and I would like to participate as a parent/guardian curricular materials reviewer. I am available for the review session on February 11, 2025 from 10am-2pm.

I am a parent/guardian of a student at WLIS, and I would like to participate as a parent/guardian curricular materials reviewer. I am available for the review session on February 11, 2025 from 10am-2pm.

I am a parent/guardian of a student at WLJSHS, and I would like to participate as a parent/guardian curricular materials reviewer. I am available for the review session on February 11, 2025 from 10am-2pm.

11. Please indicate if you plan to review materials considered for adoption during the public comment period from February 18-21, 2025 between 10am and 2pm. **Your response to this form is not a commitment, but it does help us plan ahead.**

A designated space in each school will be available for this opportunity. It is not necessary to schedule a specific time or date. We ask that parents/guardians be courteous to one another should multiple people wish to review materials at the same time.

During the public comment period, we ask interested parents/guardians to call a day ahead to confirm their plans to participate in the public comment review. Knowing who is coming helps each school plan and also can save time should changes to the information presented here be required.

Mark only one oval.

- Yes, I plan to review materials during the public comment review period, and I plan to call a day ahead to help the school office coordinate an efficient experience.
- Maybe - I am interested but need to wait until closer to the dates to know my availability. I plan to call the school office a day ahead to help the school office coordinate an efficient experience.
- No, I do not plan to participate in the public comment review period.

Estimated tax may be provided solely for customer convenience. The amount indicated is only an estimate and is intended to be helpful for budgeting purposes. The actual amount of sales tax assessed at the time of invoicing may be more or less.

Platforms: Savvas, and any third party for which Savvas serves as the sales agent or distributor, reserve the right to change and/or update technology platforms, including possible edition updates to customers during the term of access. Customers will be notified of any change prior to the beginning of the new school year.

Damaged & Defective Products: If a print product, or the print component of a blended (print & digital) product, is received in damaged or defective condition, Savvas will issue a credit or replacement at no charge to the customer if the customer promptly (no later than 120 days) returns the damaged or defective product. Customers must report missing product immediately upon receipt.

Return Policy: Returns (other than damaged or defective products) are subject to the following conditions: (a) materials must be returned to Savvas at the customer's expense in new, unused condition, suitable for resale by Savvas (note that any barcoding, stickering, stamping or similar marking on any print materials renders them unsuitable for resale); (b) materials must be returned within six (6) months from the date of purchase; (c) the customer must obtain a Return Materials Authorization ("RMA") from Savvas prior to returning the materials, and must ship the materials back to Savvas within thirty days of receiving the RMA; (d) all materials sold in a set or package must be returned complete as originally sold, and (e) any materials provided by Savvas to the customer on a no-charge basis in consideration of the customer's purchase must be returned in proportion to the purchased materials that are being returned for a credit. A restocking fee of 3% may be applied to credits over \$1,000. Savvas' return policy does not apply to science lab kits or trade publication novels, which are sold on a non-returnable basis.

Consumable Worktexts: Subsequent year consumable worktexts will ship each year on the anniversary of the original order date for the duration of their license. Worktexts will ship to the location listed on the original order. Quantities for each grade level and title will remain consistent each year. Changes to quantities of titles previously ordered, shipping location changes, or any other changes to consumable worktext shipments must be made 4 weeks prior to shipment date, (the anniversary of the original order date unless changed). Changes can be made on the Subscription Worktext Site: <https://worktext-subscriptions.savvas.com>

Annual subscriptions for ILIt and Successmaker Only: Savvas' ILIt and Successmaker products (and no others) automatically renew on the anniversary date of the original purchase and will be invoiced accordingly unless otherwise specified.

Technical support services are included with purchase of Savvas digital products.

Savvas does not accept Credit Card information via postal mail, facsimile, or email. Credit Card information will only be accepted via phone, eCommerce, or my Savvas Orders. For questions regarding your order please call Customer Service: 1-800-848-9500.

Price quote: This is a price quote for the customer's convenience only, and not an offer to contract. All quotes are subject to review and final acceptance by an authorized representative of Savvas at its offices. Savvas reserves the right to correct typographical, computational or other errors. Savvas' standard payment terms are net 30 days unless otherwise specified. All pricing is in US Dollars unless otherwise specified. Pricing calculations use multiple decimal places to determine the most accurate extended pricing but are represented in standard currency format.

Shipping & handling charges (where applicable) are shown on the quote. S&H rates quoted are for standard ground transportation and may not reflect account contracted rates. If expedited shipping is requested, actual charges may be higher. For orders picked up at the Savvas warehouse by the customer or a third party carrier contracted by the customer, a 2% handling charge will be applied to shippable items. The 2% charge will appear on the customer proposal and invoice as a S&H charge.

Taxes: All pricing in this quote is exclusive of any applicable sales, use or other similar taxes or duties. The customer is responsible for any such taxes or duties that may apply; if the customer is tax exempt, evidence of such tax exemption must be provided. Estimated tax may be provided solely for customer convenience. The amount indicated is only an estimate and is intended to be helpful for budgeting purposes. The actual amount of sales tax assessed at the time of invoicing may be more or less.

Quote Prepared On March 31, 2025
Quote Valid Through October 15, 2025
Quote No. 2503185707
Version No. 2

By accepting a Quote, initiating a Purchase Order to us, entering into a separate agreement with us, and/or ordering online content, you are agreeing to these Terms of Purchase. The Vista Higher Learning Terms of Purchase shall govern all sales of materials and online content and shall supersede any and all terms and conditions attached to your Purchase Orders and/or any other document that you present to Vista Higher Learning, which shall be considered as a confirmation only and the terms and conditions shall in no way amend, prevail over, supplement or supersede any term or condition hereof.

- **Terms of Use:** All sales of Vista Higher Learning materials and online content are expressly made subject to the Vista Higher Learning Terms of Use: https://www.vhlcentral.com/terms_of_use.
- **Return Policy:** Returns of Vista Higher Learning materials and online content are subject to the Vista Higher Learning Return Policy: <https://vistahigherlearning.com/return-policy>.
- **Tax:** Prices included within this Quote are exclusive of all applicable taxes, which are the responsibility of the Customer. Customer must provide documentation of tax-exempt status, if applicable.
- **Subscription Term:** For digital product license purchases, the duration of access being purchased based on the product license selection outlined in the Quote above will be considered the Subscription Term.
- **Term Dates:** Subscription Terms are aligned to an academic year calendar and will start as of the next upcoming academic year following the receipt of a Purchase Order, unless otherwise requested by Customer. All product licenses will have the same start and end dates aligned with the Subscription Term.
- **Unused Licenses:** All product licenses must be used within the purchased Subscription Term. Unused licenses during the purchased Subscription Term are not refundable or eligible for credit.
- **Licensing Add-ons:** If purchasing additional license quantities and/or licensing level upgrades to be added onto an existing base of product licenses, the additional quantities and/or upgrades will be applied beginning with the currently active Subscription Term, unless otherwise requested by Customer. All product licenses must maintain the same start and end dates aligned with the Subscription Term, with any additional quantities and/or upgrades matching the current expiration date of the existing Subscription Term in place.

Thank you for your business!
