VI. INFORMATION TO THE BOARD

Mrs. Witt -

Received an inquiry about the language in our policies related to the roles and responsibilities of a Board member and the role of the Secretary of the Board. This has been sent to WLCSC Legal Counsel for review.

Reminder that Board training will be held in an Executive Session on Thursday, April 20, 2023 at 6:00 p.m. at Wabash Valley Education Center with Dr. Judi Hendrix.

A question was received regarding Policy 2464 asking if it was in conflict of Indiana Code 20362-2. Mrs. Witt reported that the policy and law do align and are not in conflict. The Board is charged with the responsibility of ensuring a myriad of Indiana code requirements are met. To meet statutory requirements, the Board delegates those duties to the Superintendent and/or his designee. The Superintendent is held accountable for the day-to-day operation of the schools and for the management of personnel. The Board does not perform these tasks.

VII. BOARD AND SUPERINTENDENT REPORTS

Dr. Greiner -

Reported that we're in the legislative session right now. He said we're talking closely with our professional organizations and/or legislators. House Bill 1499 relates to operations fund, property taxes and referendum fund. There are concerns about the current, proposed three percent cap on the new referendum revenue which would decrease the property tax cap for residential taxpayers from one percent to 0.95 with a gradual increase over time which will severely limit our operations revenue and likely increase circuit breaker loss. So, while we expect changes from House to Senate, we certainly want to keep our eye on these topics with continued communication with our professional organizations.

House Bill 1001 is the budget bill which drastically increases voucher funding while also increasing the number of people eligible for the voucher program.

Senate Bill 12 establishes a procedure to allow a parent/guardian, of an enrolled child in school, to submit a complaint that a book in the school library is inappropriate. This Bill talks about taking away protections for our teachers. Dr. Greiner said he believes in local decisions and local control and believes that our teachers, if they're making good faith efforts, to present materials for educational reasons and should be protected.

Congratulations to the elementary students on a great week of Read Across America. The overall favorite book was the Harry Potter series. Also, Kindergarten Round-Up is around the corner, so we encourage all families who will have an incoming kindergarten student to save the date.

Mrs. Roth -

Was pleased to congratulate the 17 National Merit Scholarship finalists for 2023 (which is approximately 10% of the JSHS students). Mrs. Roth also extended appreciation to the families, educators and friends who support and cheer on our scholars.

The number of teacher proposals received for PD for the Stem Grant was 115. This number is more than 115 teachers because some of the proposals are from multiple groups of teachers. Mrs. Roth expressed how impressed she was with the outstanding number of proposals received.

Mrs. Cronk -

Extended congratulations to Mrs. Janelle Wade, Deputy Treasurer, who recently completed her Assistant Business Manager Certifications through the Indiana Association School of Business Officials (IASBO).

All members of the Business Office take part in workshops and certification courses offered by IASBO. Dr. Greiner also participates in courses for certification purposes.

A retirement information meeting was recently held for teachers who plan on retiring or just wanted to learn more about the retirement process. This will be an annual event providing general information with regards to retirement, the master teacher contract in Indiana and the Indiana teacher retirement funded Social Security.

Students at the Intermediate School recently had a lot of success with Math Counts, Battle of the Books, Indiana Chess Regional and the Regional Spelling Bee Championship (won by Sharanya Kar who will represent WLIS at the Nationals). We're so PROUD of our students, staff and parents.

Mr. Marley -

The Redevelopment Commission will meet on Wednesday, March 22, 2023 at Margerum City Hall.

Coming soon to West Lafayette will be a seven-story, 500-unit mixed-use apartment complex with 12,000 square foot of retail space at the corner of Brown Street and River Road, as well as a seven-story, 150-room Courtyard by Marriott at the site of an old drive-thru ATM on Brown Street.

Park officials are in the planning process of building a tree nursery on approximately 15 acres of donated land. A 2,300 square-foot greenhouse will be built to house saplings, perennial and native plants. The nursery will have the capacity to grow up to 1,200 trees.

The Wellness Center will soon be getting a new sign at the entrance.

There has been a change order on the Caretaker's Cottage to allow for better movement of traffic.

There is a contract for design services for the new Cason Park on Cumberland Avenue.

Mr. Schott -

Teacher Grant applications are due by Friday, March 10th. As of Friday, March 3rd, six applications have been received; the most applications in a grant cycle since the pandemic.

2023 Wall of Pride dates have been announced. Five distinguished alumni and one educator will be

recognized for career accomplishments on Thursday, April 13th and Friday, April 14th. The Wall of Pride was established for the purpose of celebrating WLCSC alumni and our schools. Nominees are reviewed annually and selected by a committee comprised of WLCSC administrators, alumni and members of the West Lafayette Schools Education Foundation. This year's inductees include: Sonia Angell (1983), Mayor John Dennis (1977), David Kelso (1963), Gary Lehman (1970), Chris Ho (1984) and Joseph Krause (WLHS Social Studies Teacher from 1961-1999).

Save the date for the 2023 Scarlet and Gray Dinner and Auction. Formerly known as West Side Story, this annual celebration is the primary fundraising event for the West Lafayette Schools Education Foundation. The event is scheduled for Saturday, April 22, 2023 in the Shively Club at Ross-Ade Stadium. The website is now live and tickets are available for purchase <http://bidpal.net/scarletandgray>. Dr. Yin also attended the G.L.A.S.S. meeting and heard a presentation stating that she learned a lot and was amazed by the scope of work they've been doing. There are more than 4,000 students in the greater Lafayette area, and she appreciates the teachers who work with special needs students.

Mrs. Mumford -

Mrs. Mumford attended the Diversity Roundtable which is committed to addressing dimensions of human diversity with specific focus on those linked to conditions in our community that result from prejudice and discrimination. All three area Superintendents have also attended these meeting in the past, but were not at this most recent meeting. Meetings are held on the first Thursday of each month from 11:30 a.m. to 1:00 p.m. at the Wells Community Cultural Center, 638 North Street, Lafayette in person or via zoom.

The League of Women Voters, a nonpartisan political organization, encourages informed and active participation in government, works to increase understanding of major public policy issues and influences public policy through education and advocacy.
