

The background is a light teal color with a bokeh effect of out-of-focus lights. There are several strings of colorful holiday lights (red, yellow, blue, purple) draped across the top and sides. In the top left corner, there is a teal circle with a white leaf outline. In the bottom right corner, there is a pink circle with a teal leaf outline. The text is centered in the middle of the image.

WL ECO Holiday Light Recycling Drive

If your holiday lights are broken or disused, please consider recycling them through WL ECO! When improperly disposed of, these decorations are estimated to last for almost 500 years in our environment. By leaving them in the designated container in the entry foyer, your old lights will be appropriately recycled at no additional cost to you.
